Property Trust investor update 2010

ING Property Trust is pleased to invite you to our annual unitholder update.

As an investor in ING Property Trust, or an interested party, we are pleased to invite you to attend a presentation on the Trust and its activities. ING Property Trust is a diversified Listed Property Trust with \$1 billion of property assets, and 280 tenants.

In the current, more challenging investment environment ING Property Trust is well placed to offer solid returns from a quality, low risk portfolio.

In this presentation, we will discuss:

- » The ING Property Trust's current and pending activities
- » The credit crunch and the effect on New Zealand property
- » ING Property Trust – the Trustee and ING (NZ) Ltd as manager
- » Gearing ratios and the asset sales programme
- » Diversification – a low risk strategy
- » A financial overview
