Investor Roadshow 2023

# Building a better future

FIND OUT HOW

We're setting Argosy up for long term success.

As a valued investor, it's your trust in us that allows us to focus on the future and all the opportunities that lie ahead. We're looking forward to seeing you at our annual retail roadshow for an update on the commercial property market and what this means for Argosy's portfolio, our tenants and to you. So please come and join us.

In the 2023 Retail Roadshow presentation, we will update investors on:

- Our Building a better future strategy and key highlights from the FY23 financial year;
- The opportunities in Auckland Industrial given its positive outlook and our significant exposure;
- Our continued focus on sustainability including 'greening' the portfolio and reducing our carbon emissions;
- Why Wellington Office and exposure to Government organisations is important;
- New Zealand's economic outlook from our perspective; and
- Any other areas of our business shareholders are keen to talk about.

The presentation will be followed by light refreshments and the opportunity to meet other Argosy investors and to speak directly with some of the management team.
